Notices

Official City App to Help Support Childrearing

Oshu has launched an app called Pochitto Oshu to provide new kinds of support with childrearing. With it, you can get information about various city hall procedures as well as support options. Plus, you can record your child's height, weight, and other growth progress, write down memories on the calendar, and more. In addition to parenting information, the app contains a range of other helpful info for daily life, so please consider downloading it.
